LOVE-A-LOT

In the first few months of this year our Leadership Team has put together a plan to repair, replace and renew our wonderful facilities. Because the funds are not available right now to completely remove and replace our parking lots, we are recommending a first step solution. This step will fill all cracks, seal the blacktop, and paint new parking spot lines on our lots. This is not a permanent fix, but it will give us a fresh new look for about three years. We are asking everyone to prayerfully consider about making a sacrificial one-time gift of what God would have them do and simply LOVE-A-LOT. The cost of this face-lift for our parking lot is \$25,000. It is our prayer that each member of our church family will pray about giving a gift towards this project by the end of July.

This study will last 7 weeks and will also include study notes and questions to consider each week. For more information, see Pastor Mike.
